

**Usher Schedule
Emmanuel Episcopal Church
March 2010**

Two Monthly Mini Briefs:

1. Ushers no longer deliver the collected offertory to the Church office. Counters are now assigned that duty. They will pick up the collection bag at the end of the service.
2. Each usher should test try one of the 4 sets of hearing aid headsets available to those having a hearing loss. You will be amazed how distinctly clear speakers sound when using micro-phones. I encourage you to offer a headset to those you suspect having hearing loss.

Notes:

1. If an overflow crowd is apparent, be sure that one of the three ushers assists seating.
2. By the 25th of the month please notify me <john.mckee1@verizon.net> the dates you cannot usher so I can create the schedule. Contact me ASAP if I have mistakenly assigned a date you had asked to be off.
3. If swapping usher dates after the Usher Schedule has been published it is your responsibility to contact Donna Kanode at the church office <eec@emmanuelvb.org> with swapping information so she can put the revised usher assignment in the appropriate weekly newsletter.
4. If a co-usher fails to be on station, please later contact them to advise them of their oversight.
5. I welcome any suggestions to improve our ushering duties.

John McKee
